Palestine Economic Development Corporation Partners With LoopNet To Promote Business Park

PALESTINE, Texas (October 29, 2014)

The Palestine Economic Development Corporation (PEDC) has partnered with LoopNet which, is a commercial Multiple Listing Service (MLS), to market and promote available properties in the Willow Creek Business Park located at 100 Willow Creek Parkway in Palestine, Texas.

LoopNet is the most heavily trafficked commercial real estate marketplace online with more than 8 million registered members and over 5 Million monthly unique visitors. LoopNet attracts the largest audience of commercial real estate brokers, investors, appraisers and other professionals with viewing information across all property types including office space, hotels, motels, multifamily apartments, retail space and land for sale. LoopNet is the #1 source to search and list availabilities in the U.S. and Canada.

According to Greg Laudadio, Assistant PEDC Director, “with the recent increase in commercial and retail construction projects, along with the appraisal of several 1-10 acre parcels within the business park, we feel the time is right to increase our marketing presence on a national scale.”

The PEDC works with local realtors, property owners, new and expanding businesses and commercial developers to help find the right match between businesses and commercial properties.

For more information about the Palestine Economic Development Corporation please call 903-729-4100 or visit www.palestinetexas.net.
