Mr. Keith C. Metzler, Assistant City Manager
City of Victorville
14343 Civic Drive
Victorville, CA 92392

Dear Mr. Metzler:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the Victor Valley Economic Development Authority (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15B) to the California Department of Finance (Finance) on September 29, 2014 for the period of January 1 through June 30 2015. Finance has completed its review of your ROPS 14-15B, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item Nos. 3, 4, 6 – Joint Powers Authority (JPA) Agreement pass-through distributions to City of Hesperia, County of San Bernardino, and City of Adelanto in the amounts of \$35,442,219, \$66,642,949 and \$30,243,282, respectively, are not allowed. Redevelopment Property Tax Trust Funds (RPTTF) funds distributed to the JPA members are not encumbered for the payment of bond debt service or any other obligation owed by the recipients. Therefore, these items are not enforceable obligations and are not eligible for RPTTF funding.
- Item No. 5 – JPA Agreement pass-through distribution to Town of Apple Valley (Town) in the amount of \$171,666,275 is partially approved. The Agency requested \$1,353,229 for debt service payments due by the Town. However, the Town only requested \$716,914 for the current ROPS period. Therefore, the excess, \$636,315 (\$1,353,229 - \$716,914) is not eligible for RPTTF funding.

During our review, which may have included obtaining financial records, Finance determined the Agency possesses funds that should be used prior to requesting RPTTF. Pursuant to HSC section 34177 (l) (1) (E), RPTTF may be used as a funding source, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. Finance has determined that the Agency possesses \$469,717 in Reserve Balances from the Other Funds Due Diligence Review. These funds should have been expended no later than the January 1 through June 30, 2013 ROPS period (ROPS III).

Therefore, the funding source for the following item has been reclassified to Reserve Balances in the amounts specified below:

- Item No. 7 – Admin Costs. Finance has approved \$386,873 for this item and the Agency has requested funding from RPTTF Administrative Cost Allowance. However, the Agency has \$469,747 in available Reserve Balances. Therefore, Finance is reclassifying \$386,873 to Reserve Balances.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15B form the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2014 period. The amount of RPTTF approved in the table below reflects the prior period adjustment self-reported by the Agency.

HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of RPTTF approved in the table below only reflects the prior period adjustment self-reported by the Agency.

Except for the items denied in whole or in part or items that have been reclassified, Finance is not objecting to the remaining items listed on your ROPS 14-15B. If you disagree with the determination with respect to any items on your ROPS 14-15B, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

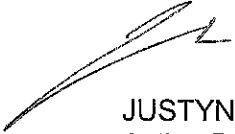

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if for whatever reason the Agency needs to make payments for approved obligations from another

funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Please direct inquiries to Nichelle Thomas, Supervisor or Michael Barr, Lead Analyst at (916) 445-1546.

Sincerely,

JUSTYN HOWARD
Acting Program Budget Manager
