TAX INCREMENT DISTRIBUTION 2014-2015 FISCAL YEAR

Keith Metzler reviewed this item with TAC and advised that the distribution was prepared by the Treasurer's Office relying on a tax analysis done by RSG, the fiscal consultant. He indicated the fiscal impact of this item is \$10.7 million and is resulting from the DOF determination of the ROPS associated with 15-16A period.

Marc Puckett advised that the amount for review is the amount collected during this ROPS period and is available for distribution to the agencies in accordance with the distribution schedule. The total amount collected during the period is a little under \$15.2 million and of that amount the County remitted \$4.2 million as pass through payments and kept an admin fee of \$27,246. He indicated that staff is recommending withholding \$263,000 for the FY 15-16 admin cost allowance which leaves \$10,774,989 for distribution to the member jurisdictions based on the distribution schedule prepared by RSG.

Keith Metzler reviewed the history of the distributions, ROPS and the issuance of debt by Apple Valley and Victorville/SCLA along with DOF's recognition/denial of the items listed in the ROPS.

Discussion ensued about recent legislation and legal possibilities along with DOF's recognition of the VVEDA JPA.

Marc Puckett recommended that on the next ROPS staff should include past amount not previously approved by DOF for Hesperia, Adelanto and the County. It was noted that the distribution being presented today is in compliance with determination letter received from DOF.

Discussion ensued relating to the distribution to the taxing entities relating to Adelanto, Hesperia and the County of San Bernardino and relating to the DOF approvals. It was noted that with DOF's determination Apple Valley and Victorville may receive more than what they may have received using the JPA methodology. It is potential that the taxing jurisdictions could be shortchanged an amount as DOF is approving in the collective as opposed to using the formula in the JPA.

Motion: That the Technical Advisory Committee recommends the Board approves the Tax Increment Distribution as presented.

BUSINESS AND COMMENT

It was recommended to have Adelanto, the County and Hesperia include in their individual ROPS what they should expect as interpreted by the JPA also including past amounts.

VICTOR VALLEY ECONOMIC DEVELOPMENT AUTHORITY
TECHNICAL ADVISORY COMMITTEE AND BOARD OF COMMISSIONERS
MEETING OF: February 17, 2016

SUBMITTED BY: Marc Puckett
Treasurer

DATE: February 10, 2016

SUBJECT: Tax Increment Distribution
ROPS 15-16B

RECOMMENDATIONS: That the Honorable Board of Commissioners approve a final distribution of taxes to its member jurisdictions and the affected taxing entities.

FISCAL IMPACT: \$15,450,333

DISCUSSION: From May 1, 2015 through December 16, 2015, VVEDA has collected \$21,594,962 in tax increment revenues. Of that amount, the San Bernardino County remitted \$5,868,341 in pass-through payments to affected taxing entities and paid County Administrative Fees of \$26,288. In addition, staff is recommending withholding \$250,000 for Administrative Cost Allowance as approved by the Department of Finance on ROPS 15-16B. VVEDA's fiscal consultant, the Rosenow Spevacek Group (RSG) has prepared a tax increment distribution analysis based on the tax increment revenues received by VVEDA through December 16, 2015. The RSG tax increment distribution analysis reconciled receipts from the original project area and Amendment 4 and 8 areas in the amount of \$21,568,674. The tax increment distribution is provided in Table 1 attached to this report.

A tax distribution of the reconciled receipts (the fifth column on Table 1) less the amount of pass-through payments, County Administrative Fees paid by the San Bernardino County and withholding of ROPS 15-16B Administrative Cost Allowance would result in the distribution of \$15,450,333 to member jurisdictions. Any remaining amounts will be reconciled as part of the fiscal year end process and will be distributed at that time.

Staff remains available for any questions or comments you might have.
