

Drainage Committee Meeting  
Of the  
Assumption Parish Police Jury

Wednesday, April 10, 2013  
5:00 O'clock p.m.

1. Committee members recorded as present were: Mr. Henry Dupre, Chairman; Mr. Irving Comeaux, Mr. Calvin James, Mr. Booster Breaux, Mr. Martin Triche  
Committee member recorded as absent was: Mr. Myron Matherne.  
Other Police Jurors recorded as present were: Mr. Patrick Lawless, Mr. Jeff Naquin.
2. Chairman Henry Dupre recognized Mr. T.J. Daigle, 197 Elaine Street, who stated that his neighbor, Mr. Samuel Rock, is filling in the ditch that runs behind the residents on Elaine St. which makes everyone's sewage and water flow onto his property and back up onto the road. He stated that he spoke with the individual and was told that he could do whatever he wants on his property because it's not a part of the drainage district.  
Chairman Henry Dupre stated that he spoke with Mr. Daigle regarding the matter. He then recognized Mr. David Businelle, 181 Elaine St. and Mr. Tuni Bullock at 169 Elaine St.  
Committee member Irving Comeaux explained that everyone above Mr. Rock, who is located at the end of the street, can't drain to the back. He stated that there is a 5 ft. drainage and utility easement that runs behind the lots on Elaine St., which appears on each property owner's deed, and should not be encroached by one resident.  
A brief discussion was held regarding the 5 ft. easement behind the lots on Elaine St.  
Mr. Daigle further explained in detail what was done by Mr. Rock.  
Chairman Henry Dupre stated that what this resident is doing is illegal in accordance with the plat and to impede drainage therefore, the Jury needs to request an opinion from the District Attorney.  
In response, committee member Martin Triche stated that the property in question is public property and the Parish can send the resident a cease and desist letter and if it's not abided by, the Parish would then take the necessary actions.  
Committee member Irving Comeaux agreed that a letter should be sent informing Mr. Rock that the easement is a public drainage and/or utility and request that he clean it out and return it to its original state or the Parish will take further actions.
3. Committee member Irving Comeaux offered a motion, seconded by Mr. Martin Triche, 'THAT, the committee approve sending a letter to Mr. Samuel Rock, 201 Elaine St., requesting that he clean out the drainage easement and return it to its original nature or the Jury will take the necessary actions.' The motion was unanimously adopted.
4. Committee member Booster Breaux offered a motion, seconded by Mr. Calvin James, "THAT, the committee approve \$300 for Marais Lane Outfall Ditch Project." The motion was unanimously adopted.
5. Chairman Henry Dupre recognized the Parish Manager, who stated that 357 Hwy 400 is an ongoing project and Mr. Johnson is interested in putting culverts to assist with the drainage. In response, he stated that it's a State ditch but the outfall is further to the back of Hwy 400. Following a brief discussion, the committee approved to table the matter until Mr. Johnson arrives.
6. Committee member Martin Triche offered a motion, seconded by Mr. Calvin James, 'THAT, the committee approve \$450 for Alvin St. Project.' The motion was unanimously adopted.
7. Committee member Calvin James offered a motion, seconded by Mr. Booster Breaux, 'THAT, the committee approve \$4,200 for the 1470 Hwy 402 Pump Project.' The motion was unanimously adopted.
8. Chairman Henry Dupre commented that the electric bill for this location will increase tremendously with the approval of this project.
9. Committee member Booster Breaux offered a motion, seconded by Mr. Martin Triche, "THAT, the committee approve \$500 for Lee Drive Catchbasin at 101 Oak Lane Project." The motion was unanimously adopted.
10. Chairman Henry Dupre recognized the Parish Manager, who stated that the culvert behind the trailer on Riverbend St. needs to be cleaned and blown out. He stated that the Department will handle it.

11. Committee member Booster Breaux offered a motion, seconded by Mr. Irving Comeaux, 'THAT, there being no further business to come before the Drainage Committee, the meeting be adjourned.' The motion was unanimously adopted.

Engineering/Grants Committee Meeting  
Of the  
Assumption Parish Police Jury

Wednesday, April 10, 2013  
515 O'clock p.m

1. Committee members recorded as present were: Mr. Irving Comeaux, Chairman; Mr. Henry Dupre, Mr. Patrick Lawless, Mr. Jeff Naquin, Mr. Martin Triche.  
Other Police Jurors recorded as present were: Mr. Patrick Johnson, Mr. Calvin James, Mr. Booster Breaux.
2. Chairman Irving Comeaux recognized the OEP Director, who stated that in order for the Cancienne Canal Drainage Basin Improvement Project application to be considered, an "urgent need" resolution needs to be adopted.
3. Committee member Martin Triche offered a motion, seconded by Mr. Jeff Naquin, "THAT, the committee approve and adopt an 'Urgent Need' resolution for the Cancienne Canal Drainage Basin Improvement Project." The motion was unanimously adopted.
4. Chairman Irving Comeaux recognized the Secretary-Treasurer, who stated that a change order in the amount of \$3,084 is needed to relocate the computer console in the Jury Chamber to the clerks station and move the microphone to where the console is. She stated that a duplicate mic is not needed therefore, \$400 can be deducted from the total cost bringing the change order to \$2,684.
5. Committee member Henry Dupre offered a motion, seconded by Mr. Patrick Lawless, "THAT, the Police Jury approve a change order in the amount of \$2,684 to relocate the computer console in the Jury Chamber." The motion was unanimously adopted.
6. Chairman Irving Comeaux recognized the OEP Director, who stated that the Jury approved Duffy Landry's Family Subdivision at the last meeting and they are requesting acceptance of the street name, Myrtle Court, into the 911 addressing system only.
7. Committee member Henry Dupre offered a motion, seconded by Mr. Jeff Naquin, "THAT, the committee approve acceptance of Myrtle Court into the 911 addressing system only." The motion was unanimously adopted.
8. Chairman Irving Comeaux recognized Police Juror Booster Breaux, who stated that there are no updates on the FEMA appeals but he will keep the Parish informed when something is received.
9. Chairman Irving Comeaux recognized the OEP Director, who stated the Blue Ribbon Commission kick off meeting was held last Friday and it was announced that they are coming to Bayou Corne. He stated that the next community meeting is May 1, 2013 at the Community Center and the introduction of the Blue Ribbon Commission will happen. The 3-D seismic is expected to be to the DNR Office of Conservation on the 21<sup>st</sup> of April. He proceeded to state that there are 30 wells installed and 20 that are flaring gas. He then stated that they began sub slab monitoring and about 9 structures agreed to the monitoring and of the first six (6), three (3) were found with methane gas and sent for review to determine what the analysis is. More samples were pulled to validate and confirm the analysis. The plans are to have an additional person in Bayou Corne to speak to the residents and encourage everyone to have air detection placed in their homes. He stated that after his inspection, there are about 155 residents that don't have the monitors in their homes. The OEP Director then stated that they started the containment for the burm area. In response to the seismic activity, the OEP Director stated that the time and date needs to be reported to the Assistant OEP Director, who will in turn report to Dr. Horton, who is monitoring the activities as they occur. He then stated that Texas Brine has indicated that they have started the process regarding buy outs but it's a civil private matter that the Parish can't be involved. He stated that the sinkhole measures 980 ft. in distance from northwest to southeast, and 900 ft. in diameter and 160 ft. is the deepest area. The slough in is occurring on the west side and under cavern pad 3, not in the direction of Hwy 70. He further mentioned that they tagged the bottom and it has approximately 116 ft. left to be filled. He stated that Dr. Horton mentioned that there were 10 micro earthquakes that occurred during the night and the sinkhole went to a code 2 today because of the micro earthquakes. He then stated that there is seismic activity in the general area of cavern 3. He lastly stated that they went in with sonar on today, but a report has not been given.
10. Committee member Martin Triche offered a motion, seconded by Mr. Patrick Lawless, "THAT, the following matters be added to the agenda." The motion was unanimously adopted.
11. Chairman Irving Comeaux recognized Police Juror Calvin James, who stated that a walking trail grant for the Bertrandville area was applied for and denied due to funding. He then stated that he spoke

with Senator Brown, who informed him that if the grant was resubmitted, he would handle it from that point. Therefore, he would like to have the grant application resubmitted.

In response, committee member Martin Triche suggested that the Grants Coordinator turn the information over to the Federal Programs Director and he and Mr. James would meet with her to resubmit.

The Secretary-Treasurer suggested that a resolution of support be approved to get the process started.

12. Chairman Irving Comeaux requested comments, questions, or concerns regarding the request for a resolution of support for the Bertrandville Walking Trail. Following three (3) calls, no comments were received.
13. Committee member Martin Triche offered a motion, seconded by Mr. Patrick Lawless, "THAT, the committee approve the application and a resolution of support for the Bertrandville Recreation District Walking Trail Grant." The motion was unanimously adopted.
14. The Secretary-Treasurer stated that bids were accepted for the Mike St. Pump Station and Platform Project. In response, she stated that Ward 9 has funding available to assist with the overage. The Parish Engineer stated that he received six (6) bids for the Mike St. Pump & Platform Project and the low bidder was Shelby Gaudet for an amount of \$60,652. He then stated that \$50,000 was allocated for the project. He stated that bids were received from six (6) reputable bidders therefore, he would suggest that the low bid be accepted.
15. Chairman Irving Comeaux requested comments, questions, or concerns regarding accepting the low bid for Mike St. Pump Station & Platform Project. Following three (3) calls, no comments were received.
16. Committee member Martin Triche offered a motion, seconded by Mr. Patrick Lawless, "THAT, the committee approve and accept the low bid of \$60,652 submitted by Shelby Gaudet for Mike St. Pump Station & Platform Project." The motion was unanimously adopted.
17. Committee member Martin Triche offered a motion, seconded by Mr. Jeff Naquin, "THAT, there being no further business to come before the Engineering/Grants Committee, the meeting be adjourned." The motion was unanimously adopted.

Irving Comeaux, Chairman  
Engineering/Grants Committee

Public Hearing (Obtain views on the HC&D needs and discuss submission of an application for funding under the  
LCDBG Program)  
Of the  
Assumption Parish Police Jury

Wednesday, April 10, 2013  
5:45 O'clock p.m.

1. Committee members recorded as present were: Mr. Martin Triche, Chairman; Mr. Patrick Lawless, Mr. Jeff Naquin, Mr. Irving Comeaux, Mr. Calvin James, Mr. Henry Dupre, Mr. Booster Breaux.
2. Committee member recorded as absent was: Mr. Patrick Johnson, Mr. Myron Matherne.
3. Chairman Martin Triche stated that a public hearing is being held to obtain views on the HC&D needs and discuss submission of an application for funding under the LCDBG Program. He then recognized Ms. Alex Smith of South Central Planning & Development Commission, who stated that they are assisting the Parish with applying for an LCDBG application and the public hearing is the first step. She stated that the LCDBG Program is designed to provide assistance to low and moderate income communities. She then stated that the Bertrandville Sewer System Project was funded but the Waterline Project was turned into a Disaster Recovery Project which allows the Parish to submit a project that was placed on hold. She further stated that the funding for the LCDBG Program will be less than the previous year. She then reviewed the scoring process and listed the budget ceiling for the different categories (treatment plants, new sewer collection, system rehabilitation, potable water, fire protection, and streets) of grants. President Martin Triche opened the meeting to receive comments, questions or concerns regarding the funding under the LCDBG Program. He recognized Don Breaux, Pierre Part/Belle River Fire Chief, who asked if the CAD System would fall under the fire protection category? In response, Chairman Martin Triche stated that fire protection would cover water line improvement projects. Mr. Breaux stated that the Waterworks Manager has a list of the many water lines that need improvement although this amount would only cover a portion of the list.  
Chairman Martin Triche recognized Paul Gilmore, Paincourtville Fire Department, who stated that as Mr. Breaux stated there are many issues with poor water supply and fire protection throughout the parish. He then stated that the parish did spend money for a model that was set to prioritize improvement in water supply. He then requested that the Jury refer to that model. In response, the Parish Engineer stated that if the Parish choose to apply for fire protection, the Parish would view that model and select the areas that are most beneficial but the low to moderate income and other criteria of the grant will have to be followed.
4. Following three (3) calls, there were no further comments therefore, President Martin Triche requested that the public hearing be closed.
5. Committee member Booster Breaux offered a motion, seconded by Mr. Patrick Johnson, "THAT, there being no further business to come before the Assumption Parish Police Jury, the meeting be adjourned." The motion was unanimously adopted.

Regular Meeting  
Of the  
Assumption Parish Police Jury

Wednesday, April 10, 2013  
6:00 O'clock p.m.

1. The Regular Meeting of the Assumption Parish Police Jury was called to order by Police Jury President Martin Triche in the Assumption Parish Police Jury Chambers located at 4813 Hwy 1, Napoleonville, Louisiana.
2. Police Jurors recorded as present were: Mr. Patrick Lawless, Ward 1; Mr. Jeff Naquin, Ward 2; Mr. Irving Comeaux, Ward 3; Mr. Patrick Johnson, Ward 4; Mr. Martin Triche, Ward 5; Mr. Calvin James, Ward 6; Mr. Henry Dupre, Ward 7; Mr. Booster Breaux, Ward 8.  
Police Juror recorded as absent was: Mr. Myron Matherne, Ward 9.
3. President Martin Triche led the Prayer and Police Juror Calvin James led the Pledge of Allegiance to the Flag.
4. Police Juror Booster Breaux offered a motion, seconded by Mr. Patrick Lawless, "THAT, the Police Jury approve the minutes of March 27, 2013." The motion was unanimously adopted.
5. Police Juror Jeff Naquin offered a motion, seconded by Mr. Patrick Johnson, "THAT, the Police Jury approve to pay bills submitted through April 5, 2013." The motion was unanimously adopted.
6. President Martin Triche opened the meeting to the public for any public comments, questions or concerns. He then recognized Mr. Paul Gilmore, who extended an invitation to everyone to the Paincourtville Volunteer Fire Department Open House on April 13, 2013 from 10 a.m. – 3 p.m. President Martin Triche suggested that the flyer be placed on the Parish Blog since so many parishioners visit that site. Following three (3) calls, no further comments were received.
7. President Martin Triche recognized Drainage Committee Chairman Henry Dupre, who stated that the committee met and recommended the following; send a letter to Mr. Samuel Rock, 201 Elaine St., requesting that he clean out the drainage easement behind his home and return it to its original nature or the Jury will take the necessary actions, \$300 for Marais Lane Outfall Ditch Project, \$450 for 149 Alvin St. Culvert Installation Project, \$4,200 for 1470 Hwy 402 Pump Project, and \$500 for Lee Drive Catchbasin at 101 Oak Lane Project.
8. Police Juror Henry Dupre offered a motion, seconded by Mr. Booster Breaux, "THAT, the Police Jury approve the Drainage Committee report as presented." The motion was unanimously adopted.
9. President Martin Triche recognized Police Juror Patrick Johnson, who further explained the details of the culvert installation project request at 357 Hwy 400 and stated that a request to the State was made several times but to no avail. Following a brief discussion, ADA Lana Chaney requested that the Police Jury send a letter to the State requesting assistance with the project.
10. Police Juror Patrick Johnson offered a motion, seconded by Mr. Calvin James, "THAT, the committee approve upon recommendation from the Assistant District Attorney to request the State to install a culvert and make drainage improvements at 357 Hwy 400." The motion was unanimously adopted.
11. President Martin Triche recognized Engineering/Grants Committee Chairman Irving Comeaux, who stated that the committee met and recommended the following matters; approved an urgent need resolution for the Cancienne Canal Drainage Basin improvement Project, approved a change order in the amount of \$2,684 to relocate the computer console in the Jury Chamber, approved Myrtle Court into the 911 System only, received an update on the Bayou Corne situation, approved an application and a resolution of support for the Bertrandville Recreation District Walking Trail Grant, and accepted the low bid of \$60,652 for Mike St. Pump & Platform Project.
12. Police Juror Irving Comeaux offered a motion, seconded by Mr. Patrick Lawless, "THAT, the Police Jury approve the Engineering/Grants Committee report as presented." The motion was unanimously adopted. (resolutions & ordinance attached)
13. President Martin Triche stated that a public hearing was held to obtain views on the HC&D needs and discuss submission of an application for funding under the LCDBG Program. He stated that Mrs. Alex Smith gave details of the LCDBG Program. He then stated that Mr. Don Breaux and Mr. Paul Gilmore expressed concerns regarding water & fire protection which was identified in the Waterworks Survey. In response, Mrs. Smith stated that the next step would be to select a project and then go into procurement for an engineer.

14. Police Juror Booster Breaux offered a motion, seconded by Mr. Jeff Naquin, "THAT, the Police Jury approve and accept the Public Hearing report as presented." The motion was unanimously adopted.
15. President Martin Triche recognized the Secretary-Treasurer, who stated that a representative will be in attendance at the meeting of April 24, 2013. She also stated that he asked if the Jury can get the constituents to tract the specific stations that the problems are occurring on so they can better service the complaints.
16. President Martin Triche recognized the Grants Coordinator, who stated that the Police Jury has to discuss and decide on a policy for the employee duties and caterer requirements for rental events which were not included in the original contract. She also asked that the Jury discuss the protocol for forfeiture of damage/clean up deposit. She then stated that an incident occurred at a recent rental of the Center and warranted that the renter forfeit his deposit. She further explained what occurred and stated that the deposit was being held. The Grants Coordinator then stated that a for-profit event was held and the alcohol policy was violated in accordance to the contract and State law. She added that a solution for the for-profit event is to raise the rate so that the Police Jury can hire or have more staff on ground. A brief discussion was then held regarding the handout that was presented and the specifics that were mentioned. Following the discussion, President Martin Triche initiated a discussion regarding the for-profit events and stated that the rental fee for these events should be increased. The Grants Coordinator also spoke about the sale of alcohol, requirements, and the possible shut down of an event without the proper licenses or due to abnormal behavior.
17. Police Juror Booster Breaux offered a motion, seconded by Mr. Jeff Naquin, "THAT, the Police Jury approve the addendum to the Assumption Parish Community Center Contract." The motion was unanimously adopted.
18. A brief discussion was then held regarding the rental of the Assumption Parish Community Center and granting certain authorization to the Grants Coordinator. Following the discussion, the Jury agreed to authorize the Grants Coordinator to determine if a renter has forfeited his deposit due to damage of the facility and if there is some uncertainty about the issue, she should collaborate with the ADA to assist in making that determination.
19. Police Juror Booster Breaux offered a motion, seconded by Mr. Patrick Johnson, "THAT, the Police Jury approve and authorize the Grants Coordinator to collaborate with the ADA if there should be some uncertainty in the forfeiture of a renter's deposit." The motion was unanimously adopted.
20. President Martin Triche recognized Brandon Fry, General Council, Public Service Commission, Dewana King, Deputy General Council, Department of Environmental Quality, Tom Killen, DEQ Administrator of Inspection Division, Mr. John Williams, District Engineer of DHH, and David Boggs, Regional Engineer, Department of Health and Hospitals. He then stated that the Parish has been involved with many discussions among the Jury as well as with Density Representatives- and the different agencies regarding issues surrounding the maintenance of the sewer facilities and where does the Parish go from here. He then stated that the Parish was informed that Density has filed receivership or bankruptcy protection regarding the situation. He proceeded to explain that the maintenance of the facilities owned by Density has not been maintained for some time and as protectors of the individuals/residents of Assumption Parish, where does the Parish go from here to protect our constituents? He further stated that the Parish has no authority over this company, so what would be the next step for the Police Jury to take or what advice should be given to the residents?  
Mr. Brandon Fry, Public Service Commission, explained that Density appeared before the board in March to give a status report and stated that they had new management and assured that things would be different. PSC had three (3) reviews (finance, engineering inspection and structural management) going on to make sure their commitments were taking place. He then stated that they received a report that they had filed bankruptcy in Georgia. He then stated that all the agencies present are involved in the bankruptcy proceedings in Georgia and have made a request to transfer the proceeding to Louisiana due to the greater interest and the Departments can have much more influence. He then stated that the next step would be to appoint a trustee to operate the business as if they were Density. He then stated that they are pushing that it not be anyone affiliated with Density.  
Mr. John Williams, DHH, request that any issues that arise from the upcoming rain fall be reported to their office so they can hold them in violation and request that the matter be corrected. He then stated that when the time frame is not met, the matter is sent to the central office where a compliance order is issued. He reiterated that the complaints by the residents help the process to move much faster. Mr. Williams informed the Jury that there are five (5) systems, one (1) is under a compliance order by Central Office, two (2) have exceeded the notice of violation and referred to the Central Office, and two (2) are operating with notice of violation and time frames. He then stated that Density has taken some measures to mitigate some of the issues that have been identified.

President Martin Triche asked what is done in a situation when the company is irresponsible, non-soluble, and in bankruptcy and the compliance means nothing therefore, they should be moved out and put in a solvable, reasonable, alternative company to handle the situation.

Mr. Williams stated that there have been many discussions between DHH and PSC related to the matters. President Martin Triche asked if the bankruptcy is moved to Louisiana and nobody wants to take over, where does the parish go from that point, who steps in then to operate the facilities, what's the deadline to put someone in place, will the State pay someone to operate?

Mr. Fry stated that they had to shut down the receivership proceeding due to the bankruptcy notice. He then stated that from his experience, the court will appoint a trustee to operate the system and it could possibly get sold at the bankruptcy hearing. In response, Mr. Fry stated that Density is still handling the systems.

A brief discussion was held on what will happen if some serious issues come up with the sewer systems and Density doesn't want to handle the matter and there is no trustee.

Ms. Dewana King stated that the trustee will operate the system and have the authority to contract out various issues and those trustees are already in place. In response, she stated that Density was under a schedule to get a performance bond but it never happened. She then stated that the compliance order was issued so they could get them in compliance with financial surety.

President Martin Triche further stated that whoever made these decisions have placed the Police Jury in a bad position and the Parish needs help to resolve this situation because we have no jurisdiction or authority. He then asked if there was something the State agencies can do to immediately take over.

A brief discussion was then held regarding the severity of the sewer situation, what can be done for the residents of the affected areas, and can the Parish declare the matter a state of emergency. They also spoke about the rate increase that Density is receiving from the residents and no repair work is being done to the systems. In response, it was stated that if the capacity of the system changes, it requires a permit and the changes that were made were insufficient. He also stated that they are tracking the funding that Density is receiving. He stated that he is not sure how long this process will take.

The OEP Director stated that the Governor has to declare a Public State of Emergency.

Police Juror Henry Dupre suggested that the agencies look into a Brownsfield EPA Grant to offset the trustee and stated that the Parish would support this effort.

Following the discussion, the Jury requested that they be kept abreast with the going on of the bankruptcy court proceedings.

21. Police Juror Booster Breaux offered a motion, seconded by Mr. Jeff Naquin, "THAT, the Police Jury approve requesting that the Governor declare a Public Health State of Emergency for all locations owned and operated by Density." The motion was unanimously adopted. (resolution attached)
22. Police Juror Calvin James offered a motion, seconded by Mr. Patrick Johnson, "THAT, the Police Jury approve a letter to the Legislative Delegation requesting their support to the Governor relative to the Public Health State of Emergency Declaration." The motion was unanimously adopted.
23. Police Juror Patrick Johnson offered a motion, seconded by Mr. Henry Dupre, "THAT, the Police Jury approve No Problem Raceway to host the Assumption Parish Cajun Fest on May 11, 2013." The motion was unanimously adopted.
24. Police Juror Booster Breaux offered a motion, seconded by Mr. Patrick Lawless, "THAT, the Police Jury approve a proclamation proclaiming April 2013 as Child Abuse Prevention Month." The motion was unanimously adopted. (proclamation attached)
25. President Martin Triche recognized LaQuinton Davis, who stated that they have begun to move some of the cars and they requested 90 days to have the majority of them removed. He also stated that this will be a mechanic shop not a junk yard and that they will also put up a fence to comply.
26. Police Juror Patrick Johnson offered a motion, seconded by Mr. Patrick Lawless, "THAT, the Police Jury approve an occupation license for Sevin's Trucking, K-Gen Power System, LDD Mechanic Shop subject to installing a fence." The motion was unanimously adopted.
27. Police Juror Booster Breaux offered a motion, seconded by Mr. Calvin James, "THAT, the Police Jury approve a name change for Mr. Muffler." The motion was unanimously adopted.
28. President Martin Triche recognized Mrs. Boudreaux, who stated that on April 20, 2013 from 9 a.m. – 12 p.m. they would like to stand at three (3) locations in the parish to distribute/handout trash bags and magnets in honor of Keep Assumption Beautiful.
29. Police Juror Patrick Lawless offered a motion, seconded by Mr. Booster Breaux, "THAT, the Police Jury approve the Keep Assumption Beautiful Organization to provide motorist with litter bags and magnets in three (3) locations of the Parish on April 20, 2013." The motion was unanimously adopted.
30. Police Juror Jeff Naquin offered a motion, seconded by Mr. Booster Breaux, "THAT, the Police Jury approve and accept the low bid of \$5,000 submitted by Julien Enterprise to demolish, remove, and

dispose of the derelict structure located at 2610 Hwy 1 in Labadieville.” The motion was unanimously adopted.

31. Police Juror Booster Breaux offered a motion, seconded by Mr. Jeff Naquin, “THAT, there being no further business to come before the Assumption Parish Police Jury, the meeting be adjourned.” The motion was unanimously adopted.

**ORDINANCE 13-03**

**APPENDIX H**  
**Incorporating a New Street Name**

**OFFERED BY: Irving Comeaux**  
**SECONDED BY: Patrick Lawless**

**AN ORDINANCE AMENDING ORDINANCE NO. 13-01 SO  
AS TO INCORPORATE A NEW STREET INTO THE  
ASSUMPTION PARISH ADDRESS SYSTEM.**

**WHEREAS**, facilitation of Assumption Parish E911 Emergency Telephone System requires a uniform process by which streets are named and addresses are assigned; and

**WHEREAS**, presently, there is a need to incorporate a new street into the addressing system for the Parish.

**NOW, THEREFORE, BE IT ORDAINED AS BY THE ASSUMPTION PARISH POLICE JURY** that Ordinance No. 13-01 be hereby Amended so as to incorporate the following thoroughfare into the Assumption Parish Address System.

**SECTION I.**

**MYRTLE COURT  
RANGE 100 - 119  
057, ESN  
PIERRE PART, PSDA  
PIERRE PART COMMUNITY**

**SECTION II.**

All ordinance or parts of ordinances in conflict herewith are repealed.

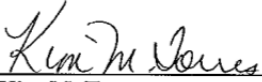

**SECTION III.**

This ordinance shall take effect and be in full forces and effect thirty (30) days from after its passage.

Having been submitted, the Ordinance was voted upon, which resulted as follows:

Yeas: 8  
Nays: 0  
Absent: Myron Matherne  
Abstained: 0

The above vote having been cast, the Ordinance was declared adopted on this the 10th day of APRIL 2013.

  
Kim M. Torres  
Secretary- Treasurer

  
Martin S. Triche  
President

On a motion by Mr. Irving Comeaux, seconded by Mr. Patrick Lawless, the following resolution was adopted:

RESOLUTION

BE IT RESOLVED that the Assumption Parish Police Jury does hereby approve the low bidder for the Mike St. Drainage Project in the amount of \$60,652 from Shelby Gaudet Contractors.

Upon being placed to a vote, the above resolution was adopted as follows:

Yeas: 8  
Nays: 0  
Absent: Myron Matherne

On a motion by Mr. Irving Comeaux, seconded by Mr. Patrick Lawless, the following resolution was adopted:

RESOLUTION

BE IT RESOLVED that the Assumption Parish Police Jury does hereby approve and accept Myrtle Court into the 911 Addressing System only.

Upon being placed to a vote, the above resolution was adopted as follows:

Yeas: 8

Nays: 0

Absent: Myron Matherne

On a motion by Mr. Irving Comeaux, seconded by Mr. Patrick Lawless, the following resolution was adopted:

RESOLUTION

BE IT RESOLVED that the Assumption Parish Police Jury does hereby authorize, approve and support the submission of a grant application for the Bertrandville Walking Trail within the upcoming funding cycle.

Upon being placed to a vote, the above resolution was adopted as follows:

Yeas: 8  
Nays: 0  
Absent: Myron Matherne

On a motion by Mr. Irving Comeaux, seconded by Mr. Patrick Lawless, the following resolution was adopted:

#### RESOLUTION

WHEREAS, the Assumption Parish Police Jury is submitting an application for funding under the Community Development Block Grant Disaster Recovery (CDBG-DR) for drainage improvements for the Cancienne Canal drainage basin; and

WHEREAS, the Department of Housing & Urban Development regulations require that the Police Jury certify that these activities for which CDBG funds are being requested to alleviate existing conditions which pose a serious and immediate threat to the health and welfare of the community are of recent origin or which recently became urgent, and that the Parish is unable to finance the activity on its own, and that no other funds are available;

NOW, THEREFORE, BE IT RESOLVED, that the Assumption Parish Police Jury does hereby certify that the activities for which CDBG-DR funds are being requested for the Cancienne Canal Drainage Improvements Project are designed to alleviate existing conditions which pose a serious and immediate threat to the health or welfare of the community; are of recent origin or which recently became urgent and that the Assumption Parish Police Jury is unable to finance the activity on its own and there are no other funds available.

THEREUPON, the above resolution was duly adopted.

Upon being placed to a vote, the above resolution was adopted as follows:

Yeas: 8  
Nays: 0  
Absent: Myron Matherne

On a motion by Mr. Irving Comeaux, seconded by Mr. Patrick Lawless, the following resolution was adopted:

#### RESOLUTION

BE IT RESOLVED that the Assumption Parish Police Jury does hereby approve a Change Order for the Assumption Parish Administration Building for the relocation of the computer console and moving of the microphone at the podium and re-wiring accordingly in the amount of \$2,787.44.

Upon being placed to a vote, the above resolution was adopted as follows:

Yeas: 8  
Nays: 0  
Absent: Myron Matherne
