

Drainage Committee Meeting  
Of the  
Assumption Parish Police Jury

Wednesday, August 28,, 2013  
4:50 O'clock p.m.

1. Committee members recorded as present were: Mr. Henry Dupre, Chairman; Mr. Myron Matherne, Mr. Irving Comeaux, Mr. Calvin James, Mr. Booster Breaux, Mr. Martin Triche.
2. Chairman Henry Dupre recognized the Parish Manager, who stated that after reviewing the plans, he and the Jail Maintenance worker will investigate whether or not the drainage system is hooked up to the sewer lift station. He then stated that the Mayor believes that the fresh water is intrastating the sewer plant in the village. The Parish Engineer stated that they are seeing a lot of inflow of water in the Village, especially after a heavy rain, coming from the jail lift station. He stated that it can't be producing that much sewer therefore, it must be some drainage coming from the jail into the lift station. He then explained what could be done to determine if this is what's going on. In response, he stated that this problem has been going on for quite some time but they have been combating with the problem and have been able to pin point it to the lift station.
3. Police juror Patrick Lawless entered the meeting at this time.
