SECTION 2:53. JUSTICE OF THE PEACE/CONSTABLE DISTRICTS

The Parish of Assumption shall be and the same is hereby divided into three (3) Justice of the Peace and Constable Districts, having the numbers and boundaries as follows:

District One shall comprise all of Police Jury Wards Seven, Eight and Nine.

District Two shall comprise all of Police Jury Wards One, Five and Six.

District Three shall comprise all of Police Jury Wards Two, Three and Four.

(Motion of July 2, 1877; as amended by Ordinance of June 11, 1935; Resolution of August 9, 1949; and Resolution of April 27, 1971)

Comment -- As indicated by the source note, the above district boundaries were adopted in 1971. The 1877 enactment established the justice of the peace wards to coincide with the eight police jury wards. The 1935 ordinance decreased the wards to three, namely: Justice of Peace Ward One comprising the first, seventh and eighth police jury wards; Justice of Peace Ward Two comprising the second and sixth police jury wards; and Justice of Peace Ward Three comprising the third, fourth and fifth police jury wards. The 1949 enactment added the newly created police jury ward nine (in 1948) to Justice of the Peace Ward One.

For authority and responsibility of police juries to divide their parishes into justice of the peace wards, see Section 45, Article VII, Louisiana Constitution (1921). On this subject, the 1974 Constitution merely provides that all justice of the peace courts existing on the effective date of the constitution (January 1, 1975) shall be continued, subject to change by law. See Section 20, Article V, Louisiana Constitution (1974).

SECTION 2:54. REGISTRATION OF VOTERS; ELECTION OF POLICE JURY TO BE GOVERNED BY STATE LAWS

The Police Jury of Assumption Parish hereby elects to be governed by the provisions of Title 18 of the Louisiana Revised Statutes of 1950, Part V, Sections 231 through 261, as amended. Commonly designated as the PERMANENT REGISTRATION OF VOTERS LAW. (Resolution of August 10, 1954)

Comment -- The citation above referred to i.e., LRS 18:231 through 261, enables all parishes to employ the system of registration contained in such provisions when the parish governing body adopts a resolution to that effect.
